

# Village of Theodore Newsletter

This is our monthly recap newsletter to help keep yourself and all the residents of Theodore updated on the past month's activities. You can download this PDF anytime, through the link on the website or Facebook page.

# ***JULY HEADLINES***

## **TREE PLANTING**

-We had a great turnout for tree planting between the railroad tracks and Railway Ave. We planted Golden Willow as recommended by the nursery for our soil type where we purchased the trees. Our timing couldn't have been better with the arrival of the rain! So far the seedlings are doing great! Thanks everyone for coming out to lend a hand!

## **. GRASS CUTTING & TRIMMING**

- Is ongoing now throughout the summer months. Empty lots that need cutting are getting trimmed up and other areas of the village. Watch for the guys as they're out and about keeping the village clean and cut

**\*\*We do ask that you respect the barricades the crew have put up IF they are doing any sort of road repair such as: Grading, back blading, sanding, dust control applications - This ask would apply to any work being done within the village where barricades are present. They are there for your safety, please do not disregard them.\*\***

**\*Please be patient when it comes to requests to the village office. The weather will determine how much they can get done. The Guys are doing their best to keep up to everyone's requests.**

# ***JULY HEADLINES***

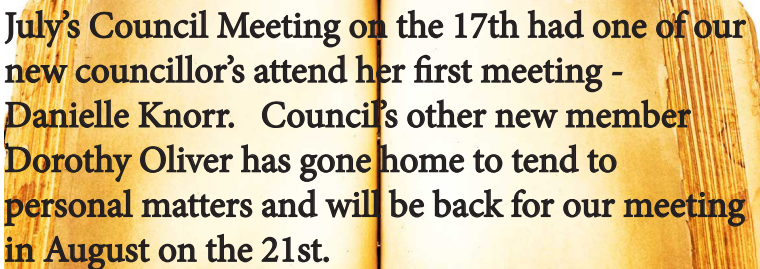

- **Special Council meeting** -Council held a special meeting on the 24th to discuss and look at the possibility of doing some 'Chip Sealing/ Sand Sealing' on a portion of the streets within Theodore. We've inquired to a few companies about costs. We tried a "Chip/Sand sealing experiment" on the entrance road with some material we already had on hand, with some sand that we also had on hand. **This was just that, an experiment and was NO COST to taxpayers.** What we discovered was the village equipment is quite old and doesn't work very well, and the reason we inquired to outside companies. The companies can do it more thoroughly and quicker. After discussion Council has opted to put 'Chip Sealing/Sand Sealing' on hold until next spring. WE will have more information for all the village residents at the Town Hall on Sept. 25th.

-**The Village has recouped over 20 properties with tax enforcement** and are now offering many of these up for tender! Visit the Village Website for a list and procedure on how to inquire/submit a proposal. All tenders are subject to council approval. We will be seeing more properties returning to the Village in the next number of months with the tax enforcement.

# **JULY HEADLINES**

-The process of draining the landfill site at the village dumping grounds is underway. The provincial government has requested this be completely filled in / levelled off before winter. This will be a long, slow draining of the water and then backfilled and is going to take time to complete.

July's Council Meeting on the 17th had one of our new councillor's attend her first meeting - Danielle Knorr. Council's other new member Dorothy Oliver has gone home to tend to personal matters and will be back for our meeting in August on the 21st.

## **DID YOU KNOW-**

There is an animal bylaw for the Village??

*Bylaw 1 - 2007 states:*

**\*\*No person shall keep or possess or harbour a dangerous dog within the boundaries of the Village of Theodore with the exception of the animal being brought in for veterinary purposes and left in their control**

**\*\* Every owner of a dog shall, not later than the 1st day of February in each year, obtain an appropriate License for the dog from the Licence Inspector of the Village of Theodore and failure to do so shall constitute an offence under this bylaw. No dog licence issued by the Village of Theodore in respect of a particular dog shall be transferable to any other dog.**

**\*\* The owner of a dog shall not at any time allow the dog to run at large within the village of Theodore and any owner who permits such running at large shall be deemed to be committing an offence under this bylaw and upon summary conviction shall be subject to the penalties set out in Schedule "B" hereto.**

**\*\* The owner of a dog shall not at any time allow the dog to encroach on any private property other than his/her own and any owner who permits such action shall be deemed to be committing an offence under this bylaw**

**FOR A MORE DETAILED IN DEPTH look at the BYLAW visit the Village Website!!**

**Drop in online to 'Village of Theodore'  
Facebook Page at your leisure!**

# **COMING SOON!**

**-Town Hall Meeting!  
For all residents of  
Theodore and area has been set for  
Sept. 25th! at the Community Hall  
at 7pm**

**We have plenty of information to share!  
Everyone is invited to come on down!**

The Next Theodore Economic Committee Meeting will be on Aug. 22nd @ 7pm at the Musuem. All residents of Theodore are invited to come on out and share their ideas with the committee on how we can help make Theodore a great village to work, rest and play!  
Hope to see you there!
