

Village of Theodore Newsletter

This is our monthly recap newsletter to help keep yourself and all the residents of Theodore updated on the past month's activities. You can download this PDF anytime, through the link on the website or Facebook page.

OCTOBER REVIEW

****With Winter coming, be wary of the crew when they are out grading roads in the future. Please allow yourself space between yourself and the equipment.**

Drive Safe everyone!**

*The guys have been busy with a number of required classes and courses to get certified as requested by OHS (Occupational Health and Safety). That took up a good portion of October but all required certificates are now up to date.

*The Zamboni room at the Remax Arena was tested for Asbestos as instructed by OHS due to the condition of the room. The Test came back Positive and we had to get an Abatement team in to remove and replace the material in the room.

*Ice flooding at the arena had begun just prior to the Abatement and now with the Abatement completed, Ice preparation is continuing without issue. The Plant is running good and once all the other requirements needed to get the Zamboni room up to regulated standards is complete it should be a successful winter!

***Please be patient when it comes to requests to the village office. The Guys are doing their best to keep up to everyone's requests.**

Barrier constructed Late Sept.

OCTOBER REVIEW

* Council held its regular meeting on Oct. 23rd and we reviewed a number of different topics/ issues and you can catch up on our council minutes anytime through the village website.

* We had a visit from the students at St. Theodore School on Hallowe'en! It was a great time with the students singing a few hallowe'en songs and Village staff handed out treats!

The New Village Slogan has been determined!
Voting went on for a couple weeks through a link on the village website and we had great participation! Thanks again to all the slogans that were submitted and the winning slogan that will be featured with our logo in future promotion of the village is:

"Where Happiness Grows"

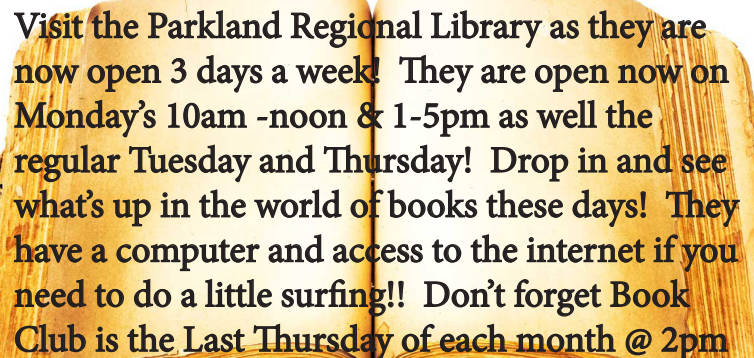

It received 65% of the vote and those who had submitted the entry asked council to remain anonymous and have donated their winning prize (A BBQ) to the Theodore Volunteer Fire Dept. so that they can use it for their future fundraisers.

THE NEXT MEETING OF THE THEODORE ECONOMIC COMMITTEE (TEC) WILL BE IN IN THE NEXT FEW WEEKS - KEEP CHECKING THE VILLAGE OF THEODORE FACEBOOK PAGE FOR EXACT DATE AND TIME.

VISIT THE VILLAGE WEBSITE
ANYTIME:

OCTOBER REVIEW

-The process of draining the landfill site at the village dumping grounds is underway. The provincial government has requested this be completely filled in / levelled off. This will be a long process and is going to take time to complete.

Visit the Parkland Regional Library as they are now open 3 days a week! They are open now on Monday's 10am -noon & 1-5pm as well the regular Tuesday and Thursday! Drop in and see what's up in the world of books these days! They have a computer and access to the internet if you need to do a little surfing!! Don't forget Book Club is the Last Thursday of each month @ 2pm

DID YOU KNOW ?? -

There is a 'Village of Theodore' Facebook Page?

As we focus on more promotion in the digital world the Facebook Page will be a key component in that. We'll be utilizing another digital media -YouTube- in the near future to showcase a number of video's we'll be creating to help promote the community and surrounding area.

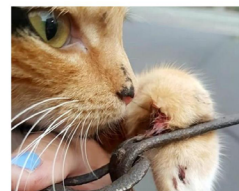

In the interim, Drop in anytime to our facebook page for updates on meetings, photo's and more. An Easy way to stay up to date on activites within the village.

Drop in online to 'Village of Theodore' Facebook Page at your leisure!

**It has been brought to our attention that a number of severely hurt cats have been seen within the village and concerns that 'leg' traps are possibly being used to catch wildlife. Please, if you must, our ask is that you use a 'Live Trap' if you need to. We don't want to risk injuring anyone's pet or worse, any children that may be playing outdoors!

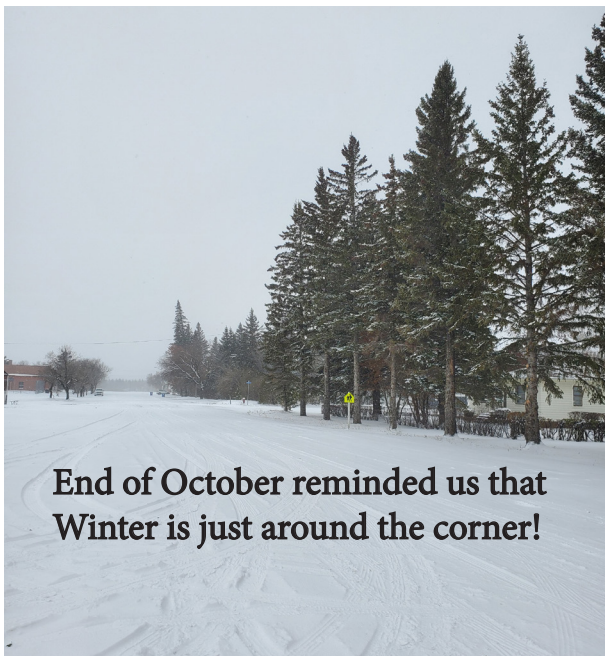

**LEG TRAPS CAN BE
EXTREMELY
HARMFUL**

IF YOU FEEL THAT DOMESTIC ANIMALS NEED TO BE TRAPPED, PLEASE USE A "LIVE CAPTURE" TRAP!

OCTOBER WRAP

**The Canteen in the Arena is open for biz! Marcia and Neil Scheller have taken over the canteen operations after a successful summer out at Whitesand Park. Right now they are open Wed & Fri's 11am - 1:30pm and will expand their hours once the winter season is fully underway.

End of October reminded us that Winter is just around the corner!

Talk to you again at the end of November!

Sincerely, Village of Theodore Council and Administration
